

# OAK CLIFF BEVERAGE WORKS

## MANUFACTURER OF

Small Batch Craft Soda using  
Pure Cane Sugar and Natural Flavors

**NO GMO'S!**

## The Way it used to Be!

Relying on thirty years of beverage industry experience Oak Cliff Beverage Works was established to reconnect consumers with "Soda made the way it used to be" - Before high fructose corn syrup and artificial sweeteners existed.

Recognizing the demand for natural sugar cane sweetened beverages and sharing a passion for what tastes really good, we've crafted a line of beverages that are not only satisfying and refreshing.

***But tastes amazing!***
