She instilled the philosophy that wine is made in the vineyard by using only the best grapes for winemaking. A philosophy still applied today.

We highlight the cherry, strawberry, and spice flavors that are prevalent in Pinot Noir from Oregon, with just a hint of oak to soften the finish.

PINOT NOIR, ISLA - CODE: 9734. **Region** Cesseras, France. **Alc By Volume** 13%. **Tasting Notes** This ripe and juicy pinot noir wine has intense blueberry, wilderberry, raspberry and spice flavors and ends with delicate, fine grained tannins.

PINOT NOIR, COAST AND BARREL® - CODE: 18CBPN. **Region** California, USA. **Alc By Volume** 13%. **Tasting Notes** Coastal fruit, Sonoma and Monterey, stainless steel fermentation, 9 day punch down, 90% barrel aged in French and American Oak, medium bodied with cherry and complex dark fruit flavors accented by gentle oak spice.

PINOT NOIR, SAN JOAQUIN WINE COMPANY - CODE: 150012. **Region** California, USA. **Alc By Volume** 13.9%. **Tasting Notes** Pinot Noir is a thin-skinned grape, first grown in France over 1000 years ago, that creates a light, smooth, fruity wine with a light ruby color. This Pinot Noir has a bright cherry nose, delicate aromas of fresh mixed berries, layered with a light touch of caramelized oak. Pairs well with fish, poultry or pasta dishes.

PRIMITIVO, LA VITE - CODE: 3697. **Region** Italy. **Alc By Volume** 13%. **Tasting Notes** The color is deep purple red with light granite hues. The palate is complex; ranging from plum and black currant jam to spicy notes of black pepper and rosemary. A full-bodied wine in the mouth, hints of plum, finishing with hints of black pepper and toasted almond.

RED BLEND, FRESCHETTO - CODE: 151806. **Region** Italy. **Alc By Volume** 11%. **Tasting Notes Cabernet, Merlot** - On the nose this wine is intense and suggestive of red berries, currant, blackberry, raspberry and strawberry. This wine is semi dry and fruity with a light aftertaste of dewberry and spices. It is light-bodied and harmonic with a good acidity.

RED BLEND, ISLA, CÔTES DU RHÔNE AOC 2019 - CODE: 9735. **Region** Côtes du Rhône. **Alc By Volume** 13%. **Tasting Notes** Born from the best terroir of the Rhone Valley. Our Grenache Syrah blend will offer you flavors of spice, dark fruit, and amazing velvety tannins! A wine most enjoyed shared with friends and family.

ROUGE, MAISON IDIART - CODE: 184518. **Region** Languedoc, France. **Alc By Volume** 13%. **Tasting Notes Merlot, Cabernet Sauvignon, Syrah** - Nicely concentrated raspberry flavor, cherry and spice flavors, medium body frame and enough acidity to keep it lively and well balanced.

SANGIOVESE IGT, LA VITE - CODE: 161193 **Region** Rubicone, Italy. **Alc By Volume** 12.5%. **Tasting Notes** This Sangiovese is warm, complex, and elegant, ruby red in color with cherry hints, followed by elegant sensations of tea and spice, especially black peppers on the nose. High acidity makes this wine refreshing and crisp on the palate with notes of dried cherries and tart, red fruits.

VINO ROSSO (AMAROSSO), LA VITE - CODE: 3608B. **Region** Italy. **Alc By Volume** 14%. **Tasting Notes** This Amarone style Italian red wine is full bodied, powerful and boasting with flavors. This rich dry wine has spicy aromas, with notes of cherry and blackberries; finishing with smoky hints of tobacco, coffee and cocoa.

The SAN GABRIEL BREWERY was founded in 1997 by beer sommelier Gabriele Tonon. Production began in an old villa in Busco di Ponte Piave, in the province of Treviso. A few miles northwest of Venice. San Gabriel only uses natural and genuine ingredients; water, barley hops, and fresh yeast in their production.
