

## **KABOOM**

Global collaboration makes Big Noise.
Chosen Brewmasters from around the world, and the Chefs who forge our favorite iconic dishes, sparked the creation of the borderless beer. A beer that feels at home on any table, in any restaurant.

Big Noise goes best with good food and the good times that inevitably follow.

CRUSHABLE: Light enough to drink best with one of everything on the menu.

**EFFERVESCENCE:** Explosive effervescence like a fizzy palate cleanser

**CLEAN FINISH:** No Lager Aftertaste
